

Add a "PS"

To help a neighbor

"PS" is Project Share – a program that assists needy households in paying their winter energy bills. You can help by adding a Project Share contribution to your utility payment, or by making a direct donation. A local social service agency carefully identifies those residents who qualify, and a local committee oversees Project Share to guarantee that all contributions are handled equitably and efficiently.

It's a simple way to share some warmth with those who need it.

Print this form and either enclose it with your next DMU bill or mail it to:
